

SCHOOL BOARD BYLAWS**Committees****A. Standing Committees**

The board shall operate without standing committees.

B. Special Committees

The chairman may appoint such special committees as may be necessary and expedient to gather information, conduct surveys or perform such other task as may be assigned. Special committees shall be temporary and shall terminate upon presentation of a final report to the board or at such time as is determined appropriate within the discretion of the chairman.

The work of special committees shall be limited to the specific task assigned by the board. The authority of such committees shall not exceed that which is expressly delegated by the Board. Special Committees shall make any reports directly to the board as a whole.

C. Advisory Committees

The board may appoint committees to advise it on matters of concern. Such advisory committees shall operate within the parameters established by the board.

Annual citizen advisory committees will be appointed in the program areas of vocational education, special education, gifted and talented education, school health services, technology, multiculturalism, parental and community involvement, and long range planning.

An advisory committee shall present to the board a final report concerning any activities which it undertook at the conclusion of its work.
